

# 2024 SHOW SPONSORSHIP LEVELS

**Horse Shows June 1, & October 5th, 2024**  
*(rain date: October 6th)*

*Please consider the following ways you can make the Farmers' Union Horse Company a success!*

**Show sponsorship deadline is May 12, 2024**

## What does being a Farmers' Union sponsor, member, or volunteer mean?

We are a 190 year old organization run by volunteers from the community for the benefit of members and non-members alike. We hold horse shows to honor the agrarian history of Central Montgomery County and any excess funds raised are used to support other non-profits in our area. The organization needs people of diverse talents and skills, to carry out our mission. With your support and generosity, in 2024, we can use the sponsorships, donations, tangible products, and gift cards to help raise money at our horse show to support those non-profits. None of this would have been possible without your help!

*We thank you!*
